The Honorable Kay Granger  
Ranking Member  
House Appropriations Committee  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Stonington Water District Redevelopment project in Fiscal Year 2022.

The entity to receive funding for this project is the Town of Stonington, located at 32 Main Street, Stonington, ME 04681. Funding will be used to allow the Town of Stonington, the number one lobster fishing port in Maine, to purchase a strategic waterfront parcel of land and expand its working waterfront access. This parcel also provides the town the opportunity for the critical expansion of its wastewater treatment system. The project will also allow the town to meet federal EPA mandates to improve testing and treatment standards.

I certify that neither I nor my immediate family has any financial interest in this project.

Respectfully,

A handwritten signature in blue ink that reads "Jared Golden".
